SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT (IDS)

MS Amendment
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

Pursuant to 37 CFR §§1.56, 1.97 and 1.98, the attention of the Patent and Trademark Office is hereby directed to the references listed on the attached PTO/SB/08. It is respectfully requested that the information be expressly considered during the prosecution of this application, and that the references be made of record therein and appear among the "References Cited" on any patent to issue therefrom.

This Supplemental Information Disclosure Statement is filed before the mailing date of a first Office Action on the merits as far as is known to the undersigned (37 CFR §1.97(b)(3)). The listed references were also first cited in a communication from a foreign (Great Britain) patent office in a foreign (GB) application not more than three months (11/28/05) prior to the filing of this Supplemental Information Disclosure Statement. In accordance with 37 CFR §1.97(c)(1) and (e), no fee is due.

Applicants have not submitted copies of each cited U.S. patent and U.S. patent application as required by 37 CFR §1.98(a)(2)(i), amended October 2004, as the U.S. Patent and Trademark Office has waived this requirement for all U.S. patent applications. Applicants submit herewith copies of foreign patents in accordance with 37 CFR §1.98(a)(2).

English language abstracts are provided for the two non-English language references cited in the IDS. The abstracts explain the relevance of each document as best currently understood by the applicants.

In accordance with 37 CFR §1.97(g), the filing of this Information Disclosure Statement shall not be construed to mean that a search has been made or that no other material information as defined in 37 CFR §1.56(a) exists. In accordance with 37 CFR §1.97(h), the filing of this Supplemental Information Disclosure statement shall not be construed to be an admission that any patent, publication or other information referred to therein is "prior art" for this invention unless specifically designated as such.

It is submitted that the Information Disclosure Statement is in compliance with 37 CFR §1.98 and the Examiner is respectfully requested to consider the listed references.

Dated: February 27, 2006

Respectfully submitted,

By
